March 3, 2013

Dear Friend:

As Vice President of the Rotary Club of Pawtucket, I have the pleasure of co-chairing our annual raffle event this year along with my colleague Matt Davis of Slater Mill Museum. Because the club has decided to make a substantial donation to Slater Mill this year, we need to make sure our fund-raising event goes well.

This year, the Rotary Club is organizing a raffle that will culminate with a cocktail event and drawing on May 23, 2013. We have partnered with Collette Vacations to offer a vacation trip package for two people as the top raffle prize. We are also offering other high-end prizes.

On May 23, 2013, the club will host a fun-filled cocktail reception and drawing to select the winner of the top raffle prize and consolation prizes. We expect 75 to 100 guests that are representative of the local business and nonprofit community. We would like to invite your business to sponsor our event, which will be held at Slater Mill in downtown Pawtucket. Enclosed is a sponsorship form that outlines the sponsorship opportunities that will ensure a successful event for our Club.

Rotary International's main objective is service — in the community, in the workplace, and around the globe. The 1.2 million Rotarians who make up more than 34,000 Rotary clubs in nearly every country in the world share a dedication to the ideal of Service Above Self.

Our Rotary4corners campaign embodies our international mission focus and global reach. While we have global connections, our fundraising primarily supports the local community. This year, the proceeds from our annual fundraising campaign will go towards a substantial \$10,000 gift to the Slater Mill Museum.

On behalf of all Pawtucket Rotarians, we hope you will support our endeavor by sponsoring our event and/or purchasing a raffle ticket. You may obtain further details about our raffle and cocktail event by visiting our raffle campaign website at <http://www.rotary4corners.org>.

Kind Regards,

Thomas A. Mann, Jr.

Vice President, Rotary Club of Pawtucket
